-----------------	----------------------------	---

(a) **Game Play:** Players must form a team of drivers (a “Team”). Each driver is assigned a “salary” value (“Game Point Value”), that reflects the cost to place such driver on your Team. Driver Game Point Values are updated after each Round. Each Team has a “salary cap” of \$100 for each Round during the Game. Prior to the first and second Round of each Double-header, Players may add or drop available drivers from their Team. To play, at any time prior to the Round Entry Deadline (as defined below), Player will log-in to the Site and fully complete one (1) entry for such Round (“**Round Entry**”) by (i) selecting their Team of four (4) drivers from among the Available Drivers (a “**Round Team**”), in each case trying to select the Available Drivers for such Round Team that will earn the highest number of official points in that Round’s race.

Each Round Team must consist of four (4) Available Drivers; *provided* that the aggregate Game Point Value for a Player’s Round Team (the “**Team Point Total**”) may not exceed one hundred dollars (\$100). All Game Point Value assignments are made by INDYCAR in its sole discretion, independent of any third-party advice, recommendation or influence.

All Round Entries must be submitted electronically no later than 15 minutes before the official scheduled start time of the applicable Round race (as reflected on the Site subject to any delays, suspensions, rescheduling and/or cancellations) (“**Round Entry Deadline**”). If a Player fails to submit a Round Entry before the Round Entry Deadline, such Player will not receive any points for that Round. A minimal team will not be selected automatically for a player. The clock on Sponsor’s database server shall be the official timekeeper for this Game.

Any race delays or postponements due to weather or any other reason will extend the line-up submission deadline for any round. In the event of a postponement or race time change, the line-up submission will be moved to 15 minutes prior to the posted green flag time, so long as the track does not go “warm,” (a track is “Warm” after the command for drivers to go their cars is given). The deadline may also be moved to an earlier time if the official start time for any race has its official start time moved to an earlier time. You will be notified of the upcoming deadline for each race on your league homepage or via email or push notification through the INDYCAR Mobile App.

If a race is postponed to the next day or subsequent day, the original deadline will change to 15 minutes prior to the updated posted green flag time to set the Team lineup applies. The final scheduled race day of this Game is on Sunday, September 11, 2022. Should the final race (or any other race) be postponed or rescheduled for any reason, such postponed race will be included in this Game as long as it is run no later than the Wednesday following the scheduled final race of the 2022 NTT INDYCAR SERIES season.

Any Round Entries containing a Team Point Total exceeding one hundred dollars (\$100) will be disqualified. Round Entries may be revised and re-submitted at any time prior to the applicable Round Entry Deadline. Players may submit only one (1) Round Entry, as applicable, for each Round. Additional Round Entries from any individual, using different e-mail addresses or any other system of multiple entries, will be disqualified. Lost, late, illegible, incomplete or misdirected Round Entries are not eligible. Players will earn the number of points that are equal to the total number of official points earned by, and credited to, the drivers on Player’s Round Team in each Round (according to the official published results as of the end of the applicable race) (“**Round Score**”). For purposes of these Official Rules, the cumulative sum of a Player’s Round Scores from the two races constituting each

Double-header, as computed following the end of any given Double-header, shall be deemed such Player's **"Total Double-header Game Score."**
